

FRANCONIA ELEMENTARY

KISS & RIDE CONTRACT FOR SAFETY

“Kiss & Ride” is a designed safe place for vehicles to load and unload children. The Kiss & Ride is separate from the school bus area, avoiding potential safety concerns for staff, students, and families.

To ensure safety for everyone, please observe the following rules when loading and unloading children:

• Per Virginia Law, Franconia ES is a hands-free cell phone zone.
• In the AM, students cannot be left unsupervised on school property. Parents must remain with their children until the 8:35 bell
• Display your assigned Kiss & Ride number
• Be courteous and attentive at all times
• Load and unload in the designated Kiss & Ride areas only, from the passenger side. <i>Please do not park and retrieve your child, as this poses a safety risk and slows our line.</i>
• Remain in your vehicle (school staff will assist with car doors), and do not leave your car unattended.
• Do not pass other cars
• All students must wear seatbelts and/or be in a car seat if appropriate
• If your child is going home with another student, or you are picking up a student other than your child, a note must be provided from both families, to all involved teachers, well in advance of the targeted date.
• Vehicles waiting for late-arriving children will be asked to circle around, returning to the back of the line, or park and pick up their child at the front office.
• Pets are not permitted on school grounds, unless designated as service animals
